

## Stewart Technologies, Inc.

### Sage ACT! 2012 | Product Brief

[Register](#) to learn how you can **Accomplish More Every Day!**

**Manage Relationships** Keep everything—phone numbers, emails, conversation notes, meeting and activity history, documents, social media profiles, and more—in Sage ACT!.

**Search and Instantly Access** Find the exact customer relationship details you need using the most basic keyword search to a more advanced field search.

**Be More Productive** Work more efficiently with Smart Tasks that automate key activities like sending emails for you and putting activities on your calendar. Get started with one of 10 pre-loaded Smart Task templates<sup>3</sup> or simply customize your own version.

**Unlock New Leads** Obtain leads you can use with Sage Business Info Services for ACT!2 that pulls highly targeted prospect lists and business info from Hoover's™ and puts them directly into Sage ACT!.

**Market Effectively** Create and send email and drip marketing campaigns, track open and click-through rates, and manage opt-outs with Sage E-marketing for ACT!2.

**Sell More** Track each lead through the sales process where you can capture detailed progress notes, include your products and services, and see the probability of close.

**Measure Results** View 50+ reports and dashboards, or for deeper analysis, send most reports to Excel® and use connections to third-party report writers.

**Integrate with Existing** Take full advantage of familiar solutions you've already invested in, including Microsoft® Outlook®, Word, Excel, and Lotus Notes®—over 10 business solutions in all.

**Business Solutions** Integrate your Sage ACT! and Outlook contacts and eliminate double entry, plus keep your calendars in sync—no matter where changes were made.

**Eliminate Double Entry** Get anytime, anywhere access with Windows® and web options, plus stay connected when you're out of the office with Sage

**Personalize Sage ACT!** Tailor Sage ACT! to fit the way you run your business by designing views, adding fields and tabs, editing drop-downs, and customizing templates.

**Access from Anywhere** Mobile for ACT! 2 from your BlackBerry®, Windows Mobile®, or Android™ device.

**Administer and Maintain** Use Silent Install<sup>4</sup> administration and activation, and take advantage of automatic backup, maintenance, and synchronization options.
